Dear Parents

On Wednesday, March 13th, as part of our topic on space, we shall be attending an exciting 'Mission to the Moon' event at York University - in the Exhibition Centre. Event description:

Join the University of York to celebrate British Science Week and 50 years since the Moon landings. Explore how we get into space and what happens to our bodies once we're there. With live demonstrations including boiling blood, oozing marshmallows and lots of explosions! This talk is aimed at KS2 children.

The event will begin at 1:30pm and last for 1 hour. Children will have an early lunch, and leave school at 12:30pm. We will be collected at 2.45pm and arrive back in school just after 3:30pm.

The cost of the trip is £6.50, which covers the cost of the coach, as the event is free. Please provide consent and your voluntary donation of £6.50, via ParentPay, by Friday 8th March to enable the trip to go ahead.

Yours sincerely

Michaela A Mounfield
Classteacher
