

Name: \_\_\_\_\_ Date: \_\_\_\_\_

Fill in the average temperatures and rainfall for your local area. Don't forget to give your table a title. Then answer the questions below.

Month	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec
Average Max Temp °C												
Average Min Temp °C												
Rainfall mm												

Compare the temperature and rainfall in **January** between your local area and the UK.  
Think about the temperature ranges and rainfall.

Compare the temperature and rainfall in **April** between your local area and the UK.  
Think about the temperature ranges and rainfall.

Compare the temperature and rainfall in **July** between your local area and the UK.  
Think about the temperature ranges and rainfall.

Compare the temperature and rainfall in **October** between your local area and the UK. Think about the temperature ranges and rainfall.

Name: \_\_\_\_\_ Date: \_\_\_\_\_

Fill in temperatures and rainfall for your school grounds each day for a month. Don't forget to give your table a title. Then answer the questions below.

Day	1	2	3	4	5	6	7	8	9	10
Max Temp °C										
Min Temp °C										
Rainfall mm										

Day	11	12	13	14	15	16	17	18	19	20
Max Temp °C										
Min Temp °C										
Rainfall mm										

Day	21	22	23	24	25	26	27	28	29	30
Max Temp °C										
Min Temp °C										
Rainfall mm										

What was the maximum temperature you recorded? How does it compare to the average maximum temperature for England in the same month?

What was the minimum temperature you recorded? How does it compare to the average minimum temperature for England in the same month?

What was the total of the rainfall you recorded? How does it compare to the total rainfall for England in the same month?

Month	Jan	Feb	Mar	Apr	May	Jun	Jul	Aug	Sep	Oct	Nov	Dec
Average Max Temp °C	6.9	7.2	9.8	12.4	15.8	18.6	20.9	20.7	17.9	13.9	9.9	7.2
Average Min Temp °C	1.3	1.1	2.6	3.9	6.7	9.5	11.7	11.5	9.6	6.9	3.8	1.6
Rainfall mm	82.9	60.3	64.0	58.7	58.4	61.8	62.6	69.3	69.7	91.7	88.2	87.2
