Dear Parents,

Last night the Prime Minister announced that there may be a phased return for Reception, Year 1 and Year 6 children as from the 1st June, depending on the Government's scientific evidence over the next three weeks. Currently we only know what you know and are waiting for clarification. A separate letter will be sent out with details of how this will affect North Duffield School. We will then work as a school community to ensure it is possible for the children and adults to return to school safely.

As always, the safety of the pupils, staff, parents and any other person who needs to access the site is our key priority.

Take care.

Kind Regards

Andrew Russell
