

### Class 3 Newsletter Autumn Term 2019

Dear Parents,

Welcome back after the long break. We are excited about being back and are looking forward to the term ahead. A huge thank you for all of the kind gifts and words we received at the end of the Summer Term, which were so appreciated.

#### **Topic**

Our theme this term will be 'Ancient Egyptians' and a topic plan for this is included with this newsletter. The topic will be enhanced with our trip to the Hands on Learning Museum in Hull on Tuesday 17<sup>th</sup> September. The children will have the opportunity to have valuable, hands-on experience of Egyptian artefacts as well as carrying out activities based on the topic. Thank you to those who have already volunteered to accompany us on this trip. We still have space on the coach should you wish to join us. Please let us know before Friday if you can come along.

#### **Homework**

Children should have brought home new times table workbooks to complete at home. We have given the children the times table we would like them to practise. We believe that gaining a secure knowledge of times tables will help the children massively in their numeracy work. Please send these back to school every Monday.

Starting next week, an additional piece of homework (in a pink textbook) will be sent home, alongside the times table booklets. Please bring this back to school prior to the following Monday, so that new homework can be added. We would be grateful if you would support your child to complete the homework, however if homework is ever causing stress at home, please come and see us and we will try to resolve it.

#### **P.E.**

PE will normally take place on Tuesday and Friday each week, however as this could change, please ensure that P.E. kits are in school at the start of every week. PE kit should be trainers, dark shorts (blue/black) or jogging trousers and a plain white or red t-shirt. Earrings should be removed or tape put on them and no watches or fitbits will be worn.

If you have any questions or concerns regarding your child's learning, or time at school, please feel free to speak to us in a morning or at home time. However, we understand that this may not always be convenient with yourselves, so please feel free to message us via the school admin email address ([admin@northduffield.n-yorks.sch.uk](mailto:admin@northduffield.n-yorks.sch.uk)).

Kind Regards

Mrs C Duffy and Mr A Russell
