Dear Year 5 parents

Next school year, when your child is in Year 6, they will have the opportunity to take part in Bikeability, with the potential to complete their Level 1 and 2 certificates. The Bikeability course will take place on Monday 19<sup>th</sup> and Tuesday 20<sup>th</sup> September.

More information will follow in September but due to the course taking place so soon in the new term we wanted to give you advance notice. The cost of the course will be funded by the Schools Sports Grant and there will be no charge to parents.

### Difficulty Accessing a Bike

If your child does not have a suitable bike for Bikeability but would like to take part please let school know via an email to the school office. We will try our best to source a bike for your child to use.

### Spare Bike

If you have a spare bike at home that you would be happy for us to borrow, please let me know via an email to the school office. We would love for as many children as possible to take part and would really appreciate any bike loans offered.

All children will require a cycling helmet in order to access the Bikeability course.

More information about Bikeability can be found on their website:

Kind regards

North Duffield School
