Can you answer the questions about how the land around your school is used?

What examples of retail are there in your local area?

---

---

---

What examples of residential buildings are there in your local area?

---

---

---

What examples of industry are there in your local area?

---

---

---

Which area around your school do you think works well? Why?

---

---

---

---

---

Which area around your school do you think doesn't work well? Why?

---

---

---

---

---

Name: \_\_\_\_\_ Date: \_\_\_\_\_

Choose one part of the area around your school that you think could be improved.

What area have you chosen? Is it residential, industrial or commercial?

---

---

What is the land currently used for?

---

---

Why do you feel the land use should be changed?

---

---

---

---

---

How would you like to change it?

---

---

---

---

---

How will this change improve the local area? Will it directly benefit the school?

---

---

---

---

---
