SIBLING STARS CLUB

Barlby Community Primary School would like to invite you to our Sibling Stars after School Club which takes place each Wednesday at 3.15pm.

Sibling Stars is an after school club dedicated to supporting concerns of brothers and sisters of people with special health, developmental, and mental health concerns.

Our aim is to connect brothers and sisters and their families from around the local community.

Each week the Sibling Stars club will start with a circle time, allowing children to share experiences, play games and meet new friends. This will be followed by an activity, for example, baking, arts and crafts or sports.

This term, we would like to welcome the families and siblings from our neighbouring schools to come together and meet other families.

We hope to provide the space for families to meet and network with one another. At 4.15pm the club will close but we hope you will continue to build the new friendships each week on the playground and within the wider community.

Please contact Mrs Cropper (Yr 1-2 Teacher) on the school number if you would like more details.
