4<sup>th</sup> September 2020

Dear Parents

I hope you and your family are all well? Next week is the planned return to school for **all** pupils. We have been working hard over the summer to ensure the school is ready for the first day, putting in place all the safety measures in line with the Government's guidance.

As you will know from the media there a number of measures we have had to put in place to be able to accept the children in school, these were sent to you before the beginning of the summer holidays. I have attached the letter again and some further documentation/ guidance you will need before the children return on **Tuesday 8<sup>th</sup> September**. I would ask you read it carefully and please abide by the timings and systems that we have put in place. It may take a few days to get use to the new procedures, but I am sure we can all work together to make it a smooth drop off and pick up for all the children and adults on site.

Attached to the email is:

- A copy of the letter sent at the beginning of the summer holidays with times and what you need to know.
- Maps of the one way system for moving around school when dropping off and picking up the children.

The DFE has produced guidance what parents and carers need to know about early years providers, schools and colleges in the autumn term. [Click here for the document](#)

The staff and I are looking forward to welcoming the children and parents back to school next week.

Yours Sincerely

Mr Russell

Headteacher
