

Biscuits

Learning Objective:

To explore the sensory characteristics of biscuits.

How many adjectives can you think of to describe biscuits?

Today you are going to explore a variety of biscuits to find out about their taste, texture and appearance, as well as their brand and cost.

What different tastes might you expect?

What different textures might you expect?

How might the brand affect the cost?

What do we need
to do before we
start to work
with food?
